OPEN LETTER TO SUBSCRIBERS

This is the third and final issue of the Bibliography of Scientific and Industrial Reports listing microfilm reels containing German language documents. This issue together with the two previous issues (Vol. 6, no. 8, August 22, 1947 and Vol 7, no. 5, October 31, 1947) comprise a nearly complete list of the reels in our German microfilm project. As they are released, additional reels will appear in individual issues of this Bibliography.

Effective July 1, 1948, the Bibliography of Scientific and Industrial Reports will be published monthly instead of weekly. The last weekly issue will be Volume 9, Number 13, June 25, 1948. The July issue which will be the first monthly issue will be available about July 25, 1948 Succeeding monthly issues will appear about the 25th of each month thereafter through June 1949.
